Bullion Output Kept Up to a High Standard With Operation of Mill

MINE SHOWS LARGE RESERVES

Eighteen Hundred Eighty Level Has Wonderful Ore Showings Many Places

While bullion week rolled round he Tonopah Extension Mining company was not behind in amount of allyer gold sent to San Francisco The producton amounted to \$76. 500 identical with the amount shopped during the first half of October, making the output for the month total \$153,000. This proper ty is giving a splendid account of tasif as a rich producer of ore, and the advance of shares in the corporation can be attributed wholly to the wonderful ore showings that are taking place on the 1880 level of the Victor shaft. Engineers predet that the life of the mine will extend over a long period of years, and for this reason the workings have been equipped with one of the FOR SALE-Furnished apt. and five most powerful pumping plans ever" installed in southern Meyada, M. not the entire state

Official report of operations for the seven-day period ending Friday night. November 10, follows:
